The Promise of the Redeemer

PREPARATIONS AND REMEDIES

given to us by Our Lord and Mary Our Mother for the END TIMES

These are remedies and spiritual solutions generously given to us by Our Lord and the Blessed Virgin Mary, Our Mother, through several apparitioners since the year 1850. These remedies will protect us from the plagues, diseases, chastisements and so forth. There may be other remedies out there and some yet to be revealed, please note immediately behind your book to use when the time comes and share with your neighbors.

Most of the remedies were revealed to Marie-Julie Jahenny by Our Lord and the Blessed Virgin Mary.

The decree of the Congregation for the Propagation of the faith A.A.S.58,1186 (Approved by Pope Paul VI on October 14, 1966) states that the Nihil Obstat and Imprimatur are no longer required on publications that deal with private revelations, provided that they contain nothing contrary to faith and morals.
The publisher recognizes and accepts that the final authority regarding this locution rests with the Holy See of Rome, to whose judgement we willingly submit.

****

Come, Holy Spirit, fill the hearts of Thy Faithful and enkindle in them the fire of Thy Love.

V. Send forth Thy Spirit and they shall be created

R. And Thou shall renew the face of the earth.

Let us pray...

O God, Who didst instruct the hearts of Thy faithful by the Light of Thy Holy Spirit; grant us in the same Spirit to be truly wise and ever to rejoice in His consolation through Christ our Lord. Amen.

Our Lord

My loved ones, there are three places of refuge
(for the time of tribulations):

My Divine Heart
My Divine Cross and
My Beloved Immaculate Mother

The Holy Family

Illness of Infants

Our Lady: "I am going to give you a remedy for the illness of infants. You must take the leaves from the HAWTHORN plant and steep them into a tea for 8 minutes. Then administer the tea orally to the infant 1/4 cup at a time, continually throughout the day and night until the ravages of the illness subside (high fever, purple-blackened color to the lips; jerking and flailing, like convulsions). No ordinary remedy, no medicine will suffice." Told to Denise Morgan Estrada

Wars and Revolutions

Our Lord revealed during an ecstasy: "To dispel all fear and terror, you will touch your forehead with a holy picture or medal of Mary Immaculate. Your spirit will remain calm. Your heart will not fear the approach of the terror of men. Your spirit will not experience the effects of My Great Justice." Told to Marie Julie Jahenny

Our Lady of the Miraculous Medal

Diverse Illnesses

You will use by means of infusion (steeping, brewing): - the HERB of ST. JOHNS WORT, especially in critical conditions and for the pains of the chest and violent headaches; the HAWTHORN, for use in cholera (which will be frequent and widespread): for unknown fevers, the humble VIOLET, perfume and virtue of humility, will be effective." Told to Marie Julie Jahenny

Unknown Diseases

(Given during an ecstasy, Marie Julie Jahenny) " A medal of My Divine Heart, a medal upon which is traced the Adorable Cross. You will steep into a glass of water the two images* be it made of cardboard or metal. You will drink this water twice blessed, twice purified. One drop only in your food, one little drop, will suffice to drive away the calamity, but the calamities of My Justice." (*The Miraculous Medal, alone, fulfills the conditions required. The Editor.) You will give a drop of this water to the poor souls touched by the scourge of unknown diseases - those which attack the heart, the spirit, the word."

Earthly and Celestial Fires

The Sacred Heart of Jesus:

"...the heat will be terrible...a sign of the cross made with Holy water will diminish the heat and drive away the sparks. you will kiss 5 times small indulgenced crosses...small crosses applied to the 5 wounds of Jesus crucified on a holy image."

"For such protection may benefit souls, poor sinners, by invoking My Immaculate Mother, Mother of Salvation, Refuge and Reconciliation of sinners" Told to Marie Julie Jahenny

During the Period of the Great Calamities/Chastisements

"Earthquakes, wars, floods, etc., recite the following prayer:

"I hail you, I adore you, I embrace you...oh adorable Cross of my Savior, Protect us, keep us, save us. Jesus loved you so much, by His example I love you. By Your holy cross, calm our fears, that we may only experience peace and trust!"

Our Lord adds that by this prayer "You will experience so many graces, so much strength and love that this large deluge will pass for you as unnoticed. This is a grace of My tenderness."

Try to recite this prayer at least 5 to 7 times a day and meditate 1 to 2 minutes.

"I know My sheep, and My sheep know me."

Fatal Plague / Great Storms

Fatal Plague: "The one and only remedy to protect one's self: Swallow a piece of very thin paper on which will be written:

"O JESUS, CONQUEROR OF DEATH, SAVE US!"

Great Storms: The following prayer, revealed by Our Lord, to be recited:

"O JESUS, CONQUEROR OF DEATH, SAVE US!"

Epidemics of Plague, Cholera and Typhus

The Ave Crux Medal can be a protection against the Epidemics of Plague, Cholera and Typhus and the prevention of the cramp-like pains of the diseases of the Final Days.

After the 13th of July (feast of Rosa Mystica) YOU MUST PURIFY YOUR FOOD WITH DROPS OF BLESSED WATER; keep a small bottle handy - it will soon become a habit like with salt and other condiments you keep on the table and PUT A FEW DROPS OF THE WATER IN! then the solid foods WON'T FALL PREY TO SATAN, who tries to poison you in this way. You can also use a cloth dipped in Holy Water to wipe your fruit.

St. Benedict

Epidemics and Epizootic of the Plague: ANIMALS

The Lord gives to the great St. Benedict the power to alleviate this great calamity. A respectful procession of this statue, made without any fear or dread, may arrest this calamity.

Epizootic: adj. Outbreak of a disease: affecting many animals of one kind at the same time. Epidemic: An epizootic disease: specific: Equine Influenza. Authors note: Assuming farm animals since Equine refers to horse. So to go further; sheep, cattle, even buffalo etc. any hoofed animals.

PETS: "One must put around their necks a St. Benedict medal." Told to Marie Julie Jahenny

St. Charbel Makhlouf
Canonized by Pope Paul on Oct. 8th ***1977***

Protection from Nuclear Contamination and the Freeze

One of the following or all: **St. Joseph's Spring Holy Water, St. Charbel Oil or/and The Weeping Crucifix Oil of Geno Marti*

You should have a supply on hand. Three drops in food while cooking or in your drinking beverage or wash fruits and vegetables with a damp cloth soaked with the Holy water to avoid nuclear contamination.

The Freeze: We must be prepared for the great cold period. It will last for 7 weeks and be cold enough to split rocks. This is a world wide event and it shall be as cold as 90° below ZERO. This will be a warning (one of three) a punishment, an act of Justice and Mercy from the Eternal Father. You must prepare a food supply and blankets. Remember, there will be NO gas, electricity or water. Use Kerosene heaters or wood stoves.

Our Lord and Blessed Mother tell us that the ones who say the rosary, try to live as we should, and do have faith, will be taken care of. (The more we pray the shorter the freeze may be/the less we pray, the freeze could be longer than 7 weeks) We must however prepare to help ourselves, our families, and others. Procure as much as possible in order to share for the love of God and the salvation of souls.

Three drops of ***St. Josephs Spring Holy Water** in your bulk water will keep water and other liquids from freezing.

"The Child Jesus, helping His Mother Mary ***carry water.***"

Contaminated Water/Air

Purify contaminated WATER for drinking:

Because of nuclear fallout, (Even fallout from Europe), this is the time when you most need the purified water which has been boiled with My Mother's medal.. ***"the Miraculous Medal"*** for 15 minutes, (rain water also can be used). **Prepare large containers and sprinkle it on food and in your drinking water.**

Contaminated AIR:

The St. Benedict Medal and the other Sacramentals you wear will protect you. God wants to see your childlike faith which says "Yes, Father as you wish," your conscious living in the Faith, because belief is not just some wonderful feeling but an act of will and intelligence. It grows in the heart and the people who have little intelligence or even sick souls can also believe because GOD CAN TEACH them like little children through their hearts and their earthly intelligence will not impede them. All thinking people, even if they concern themselves with earthly transitory things, SHOULD ALSO USE THEIR INTELLIGENCE IN FAITH.

Lungs and Heart

Our Blessed Mother told Joseph Francis in October, 1986, that Our Lord will soon send a flu like illness that will cause many, many deaths. This illness will affect the lungs and the heart. Our Loving Mother gave us this advice:

Crush 1/2 large fresh GARLIC CLOVE and several slices of fresh GINGER ROOT in a cup. Add 1 Tablespoon of LEMON JUICE and 1 teaspoon of HONEY in the cup. Pour boiling water into the cup and let the mixture set for at least 5 minutes. Do not boil. We are to begin drinking this drink every day, about one hour before bed time. If one already has the symptoms they are to drink a cup of this drink 3 times a day.

A garlic pill or capsule (from health stores) may be substituted if one cannot take fresh garlic. If there is an after taste or garlic breath, one should eat a few sprigs of fresh parsley.

This counsel is from the Mother of the Divine Physician: May Our Lord Bless you and Our Lady, Health of the Sick Protect you.

Our Lady, Baby Jesus and the angels

Earthquakes (protection for your houses)

The doors and window frames of your homes should be smeared with HOLY OIL or WAX and a St. Benedict Medal together with a small Cross placed on each window. It need not be conspicuous.

"...When the stronger one comes, it will happen like this: The houses of the others will collapse because they have not been protected with HOLY OIL or SMALL CROSSES placed everywhere with faith and belief. Outside, at the Apparition Site, there will be no shaking at all. The more sinful a place is, the more diseased the soul, the stronger God will bring His mark upon the place and the people.

Place a small cross or a saints picture outside your front and back door as a beacon of light so that the angels will know that it is a home of the faithful. It Need not be conspicuous.

The Cure for Illness

This cure is for twelve days in total. It is in two consecutive parts.

Part one:
1.) Rosary to be said.
2.) 7 Our Fathers, 7 Hail Marys & 7 Glory Be's for Jesus.
3.) Make the Sign of the Cross 3 times and while doing this, you must say "Jesus and Mary take away this sickness and cure me."
4.) Then drink a quarter of a glass of Holy Water.

All This is done for seven days, then on the 8th day the following:

Part two:
1.) Rosary is said at the beginning again.
2.) 5 Hail Marys and 5 Hail Holy Queens for the Virgin Mary.
3.) The sign of the Cross 3 times and the above prayer is to be said while doing this.
4.) Drink a quarter of a glass of Holy Water.

This is done for 5 days.

Remember that all cures are dependent on Faith. Believe that you will be cured and you will be. It is also recommended that a prayer of thanksgiving be said for the rest of your life, in return for the cure. May God be with you.

Cholera & Description of an Unknown Disease

Hawthorn: For use in Cholera (which will be frequent and widespread).

"There will be a grave illness which human science will not be able to alleviate. This illness will attack firstly the heart, then the spirit and, at the same time the tongue. It will be horrible. The heat accompanying it will be a devouring fire insupportable and so intense that the members of the body affected will be red - an unendurable fiery red. At the end of (7) seven days this disease, sown like a seed in the field (incubation period?) will spread everywhere rapidly and make great progress.

"My children, here is the ONLY remedy which could save you. You are familiar with the hawthorn which grows practically in all hedges. The **leaves of the hawthorn, not the wood, can arrest the progress of this disease.**

"You will gather the leaves, not the wood. Even dry, they will keep their efficacy. You will put them into boiling water and leave them there for **(15) fifteen minutes,** (DO NOT BOIL) covering the receptacle so that the steam remains therein. At the onset of this disease, one must use this remedy (3) three times a day."

"...This disease will produce continual vomiting and nausea. If the remedy is taken too late, the part of the body affected will become black and in the black there will be seen a sort of pale, yellow streak." Told to Marie Julie Jahenny

Your Soul

Our Lady: Consecrate yourselves daily to the Sacred Heart of Jesus, to the Holy Ghost and to Myself (Immaculate Heart of Mary). Don't forget a prayer to the Angels, the most blessed being and St. Michael Chaplet. That is the only protection for you. Go equipped with these prayers to your job, on the way to wherever you're going - regardless where. DON'T FORGET THAT EVERY CHILD OF MARY MUST PRAY AT LEAST ONE ROSARY PER DAY. Pray and give thanks before & after meals. When taking food between meals, at least make a small sign of the Cross at your mouth.

Those who want to atone for their sins and thereby greatly shorten their purgatory, must pray somewhat more. They should pray at least two rosaries daily - and in between small invocations rosaries like short and fervent prayers as atonement for the many insults that are made to God which people themselves have already caused through their sins.

Wear the Lady of the Ark Scapular of Atonement. You will atone for yours sins on earth rather than in purgatory. Those who wear the **St. Benedict medal and/or The St. Charbel Scapular** will be protected especially from possession from the demons, as these are exorcism sacramentals.

PRAYER, PENANCE, FASTING and SACRIFICE is the road to salvation!

"Did I Not promise you, my sweet children, that even if only one member of the family would say the holy rosary everyday, I would save that family? I keep my promises to my children, if you have faith and believe in my words, for these words not only come from my Immaculate Heart, my sweet children, as Queen of Heaven and Earth, but they come from the TRIUNE GOD."

BLESS YOUR ENEMIES, PRAY FOR THEM, THEN YOU DISARM THEM. When you feel oppressed by the devil, then pray short and fervent prayers, call upon the Holy Names and the Archangel Michael, try to receive confession as often as possible. Receive Sacraments TO WIN INDULGENCES for you and your loved ones, HELP SAVE SOULS, THEN YOU'LL BE SAFE IN GOD'S HANDS.

Miraculous Sustaining Grapes for the Latter times

These Miraculous Sustaining Grapes were given by Our Lady to several visionaries and mystics. The Trumpeter of the United States, Alan Rudio of the Philippines, Julia Kim of Korea and the original is Mama Rosa Quantrini in Italy. These grapes will sustain the people of Faith during the time of the Antichrist, wars, famine, droughts, calamities, plagues and illness. One should have some in storage. One grape per person a day and a supply for up to 6 months or more. Approximately 180 grapes per person. One grape will sustain you for a whole day.

The reason for the 6 month supply, during the Antichrist's reign there will be no food available to people unless they have the bar code tattooed or a microchip embedded under the skin, **which is absolutely forbidden by God Almighty, in peril of your soul.** The Antichrist will reign for 3 1/2 years. The last 1/2 year (6 months) will be the most terrifying & tormenting for True Catholics who do not follow the Antichrist. We must go underground, hiding and without food. *Remember, better to starve and save our souls, gaining Eternal Happiness, then to gorge the moment and loose Eternal Life. Pray to the Holy Spirit! for Fortitude, Patience, Temperance, Faith, Hope and Charity.*

Remember that even the brandy used to preserve these grapes has medicinal value. If you are ill one teaspoon with Faith will Heal.

This specific formula is from the visionary and mystic, the Trumpeter.

Instructions: Upon Receipt of Blessed Grapes: ***BRANDY MUST BE BLESSED BY THE PRIEST BEFORE STARTING!*** Wash fresh grapes in a mild Ivory and water solution. Rinse the grapes in clean water. With scissors, cut grapes from cluster. Try to leave a piece of the stem on the grape. Take one of the already Blessed Grapes and rub a Sign of the Cross on thre fresh grape while saying ***"In the Name of the Father and of the the Son and of the Holy Ghost, Amen."*** Each grape must be blessed that way. Put the newly blessed grapes in a glass bottle. Cover the newly blessed grapes with a wine brandy, such as Christian Bros., B&W, etc. Do not use a fruit or berry brandy. The brandy is used as a preservative. You may give the newly blessed grape to others so that they may make a supply for themselves and others. The blessings are transferred from one of the original grapes from San Damiano.

Our Blessed Mother said that a native fruit in the mission fields may be used. These grapes are NEVER to be sold. A contribution is acceptable to help pay the cost of the little bottle, the package and the postage.

Pray and ask your Guardian Angel and favorite Saints to help. THEY DO AND WILL!!!

To Prevent and Treat the Plague

"As a preventative measure one is to drink ST. JOHNS WORT TEA; it must have been taken FROM THE LEAVES of the plant without fruit and blossoms. One small swallow of the tea during the day is sufficient to prevent the plague. If nausea and headache have already appeared, you must drink VIOLET TEA, which also helps chest pain and in evening YARROW TEA. At the same time YOU MUST PRAY: **'FATHER OF MERCY!'** *The bacilli germs will be in the air, food & in the water.*

I'll now describe how the disease appears so that you can recognize it early enough. A person who rarely gets a fever SUDDENLY HAS A HIGH FEVER without having a cold. Thereafter follows PAIN INSIDE THE HEAD, GUT AND CHEST. THE HEADACHES ARE NOT NORMAL which you get from a cold or from the weather. They're different from the headaches caused by tumors or kidney disease or by high or low blood pressure or diabetes, for example, or from sicknesses by which headaches appear as a sign and warning signal of the body. The pain is neither the pulling nor the drilling type, but violent. AND NO HEADACHE MEDICINE CAN RELIEVE IT OR HELP IT.

This phase continues FOR ABOUT TWO WEEKS. If one does nothing about it, it develops further. DIARRHEA LIKE WITH OTHER INFECTIONS (stomach and intestinal flu) - all of this is accompanied by high fever and attacks of fatigue. Then the first signs appear on the body - at first with intense itching like with other skin diseases - BUT THEN PUS-FILLED PIMPLES APPEAR AND EVERYTHING SPREADS VERY QUICKLY. AFTER ABOUT 3 WEEKS THE ENTIRE BODY IS COVERED WITH THESE SORE SPOTS AND THE FEVER SUBSIDES: The body has been so weakened that it can no longer fight back with fever which is usually a defense mechanism of the body against the disease. **At times loss of consciousness alternates with hallucinations and spells of dizziness so that the person can no longer leave his bed. It takes only 3 or 4 more weeks before the person is dead.**

(continued on next page)

St. Anne and Mary Ever Virgin

This is the course which the illness takes if absolutely nothing is done about it. Since everyone goes to the Doctor with even the slightest symptoms of illness, the person will likely receive an injection which has a strong anti-inflammatory effect and there will 'seemingly' be an improvement. This is a deception: BECAUSE THE ILLNESS CANNOT BE HEALED BY AN ANTIBDTIC. Only the body's warning signals disappear and the person lives another 3 to 6 months - longer is not possible and no herb recommended from Heaven can help anymore.

And that's why I advise you AT THE VERY FIRST SIGN TO DRINK THE ABOVE MENTIONED TEAS AND TO PRAY: because THEY ONLY HELP IN A SUPERNATURAL WAY IF YOU BELIEVE IN THE REVELATIONS FROM HEAVEN. That means that it's not the plant from which the tea is made which has the power to heal you, which is often the case with other plants and other diseases. **IT IS GOD WHO HEALS AND HE DOES THIS ON ACCOUNT OF YOUR BELIEF which you can prove by receiving My revelations and following them. If you follow them superficially, the tea WON'T HELP you. It then becomes clear who the false and insincere believer is and who is true and sincere. I WILL SPREAD MY MANTLE OVER THOSE WHO ARE FAITHFUL.**

The Three Days of Darkness

"Always have ready and at hand your objects of protection: blessed waxed candles (with some bees wax),your medals, your pictures and holy objects from which flow all blessings..."

Keep water, blankets and food in your homes.

"ONLY BLESSED WAXED CANDLES WILL GIVE LIGHT. One such candle will suffice for each household during the three days of darkness. They will <u>not</u> give light in the homes of the impious and blasphemers.

Close your windows, draw your shades! Remain Inside, do not venture outside of your door <u>or you will not return!</u> Do not look outside your windows, those that do will perish! Do not try to take your animals into your homes. They will be taken care of, put a St. Benedict Medal around their neck. PRAY! Prostrate yourselves upon your floors. Pray with your arms outstretched, and beg mercy from <u>God, the Father</u>. Keep a 24 hr. vigil of prayer (mechanical clocks will only work). Our Lady said the darkness will last 72 hours, no more, no less.

<u>Children will be able to light candles and their prayers will be miraculous.</u>

Note:✞There will be one moment (or micro-second) that there will be no prayer in the world. For that moment, God's hand will fall. The 3 Days of Darkness will not come to the faithful by surprise, we should know at least 7 days in advance <u>by the signs in the sky (weather changes, & so forth), by direction from our Angels, and by possible reports</u> (if we have access) that the Antichrist has murdered our Allies, <u>Enoch and Elias, as this event marks the END.</u>

✞A Tornado as large as the State of Ohio will be part of the destruction.

*✞Those that are outdoors, will not survive. If in the mountains, try to get some shelter in a cave, **the angels will assist you, but** abandon yourself to God's Will. Through God's Mercy some people will be put into a deep sleep and taken to shelter, awakening only after the 3 days are over. If you feel that you cannot survive the horrific nature of the 3 Days of Darkness, pray that if it's God's Will, you and your family will be granted such Mercy.*

✞You must be in the State of Grace (for the rapture and to live through the 3 days).

✞There will <u>not be one</u> demon in Hell, all will be loosed on earth. There will be a diabolical coldness, as that is, what the Devil is.

✞ All atomic facilities, bombs, nuclear energy will be destroyed by God.

✞After The 3 Days of Darkness, we can drink the water and breath the air.It will seem as if we are the only people alive. We will have 7 months to clean up and bury the dead. There will be no sickness [illegible] Plants will begin to grow again.(Lucifer will be gone forever!)

Agnus Dei

This is a small but beautiful sacramental. It is one of the most ancient and powerful sacramentals of the Roman Catholic Church. Its' devout use, fosters piety and protects from both temporal and spiritual evils.

The name Agnus Dei (Lamb of God) has been given to certain wax discs impressed with the figure of a lamb and blessed by the reigning Pope **(Pope John Paul II) in the first year of his pontificate and every seven years thereafter on the Saturday before Low Sunday.** These wax discs are immersed in Holy Water into which is poured balsam to signify the sweet savour of Christ and chrism, which is symbolic of chastity.

Just wearing the Agnus Dei, relieves you of all venial sins. Protects from chastisements, illness's such as epilepsy and a multiple of other benefits befitting this sweet sacramental.

Brief of St. Anthony of Padua

This is an exoricsm Scapular. When worn or put on the door of your house, it will protect you from the attacks of the devil and demons. As the devil cannot enter an abode or possess a person wearing the Brief of St. Anthony.

It also protects from the following: <u>Sudden and violent death</u>. *Violent storms, severe illnesses, safety from earthquakes and other natural disasters. It brings conversions.* ***These Scapulars are Third Class Relics as they are touched to the relic of the True Cross of Christ and the relic of St. Anthony of Padua.***

Forty-Day Novena

on Rosary

I Believe in God - Our Father - Hail Mary - Glory Be.
For Every Hail Mary, say "Jesus of Nazareth";
for every Our Father, recite "Oh Jesus of Nazareth".

Our Father

Oh Jesus of Nazareth, my Powerful Support and Protector. Do not abandon me in this moment of danger and affliction. My Father, protect and shelter my despairing soul. My supplication full of love, cannot but come to You Who are my strength, and Who can do all things.

My Jesus, my only Jesus, my Jesus Crucified, my Merciful Jesus, Mirror of Light, my Jesus, King of Heaven and Earth.

2.) Light a candle.
3.) Say the Apostles Creed, an Our Father and Glory Be and 3 Hail Mary's.
